Grab your recipes and crock pots. The famous NEP Annual Cook-off will happen February 4th after the morning service.

provided for those  
HOT & SPICY recipes.

Close to 50 pairs of eye glasses were cleaned and mailed to Louisville to be calibrated as to their prescription strength. Next stop will be Honduras as they are given out by the medical teams to the people in need of them to see. No glasses are too large, too small, too ugly or outdated. All will be accepted and greatly appreciated. This is an on-going project so keep the glasses coming. Moreover, be assured that each time a pair of glasses is tried on, the person is asked to read scripture from the Bible! What better way to share the Gospel!

Be a part of something bigger than yourself. Join us February 25 at 5:30 for a taste of your favorite pie--for only 50 cents per slice! All monies will go to the Annie Armstrong Easter Offering for North American Missions. Following this dessert time will be the mission study, highlighting several of our North American missionaries, as we learn how to pray specifically for each of them.

The state sponsored Transformed women's retreat will be March 9-10 at Clarksville, IN. Early registration is by February 9 (\$55) or \$65 if paid by February 29. A sign-up sheet will be at the Welcome Center. A variety of break-out sessions will be offered on a multitude of topics.

To my church family

The words thank you are not enough to express how thankful I am for all of the support and love you have shown me through this difficult time. I think James said it best when he wrote: Every good gift and every perfect gift is from above, coming down from the Father of lights with whom there is no variation or shadow due to change.

You truly are a perfect gift from God, Thank you.

Dear Church Family,

Our hearts are overwhelmed at the love, support, encouragement, calls, prayers, flowers, and food that we have received with the sudden passing of our beloved Don. The meal prepared by the kitchen crew was wonderful. Thank you pastor for being there with us throughout. For those people behind the scenes the day of the services that allowed us to morn, not worrying with details, thank you. And, to everyone, thank you for your support during this difficult time. The impact that Don had on each life he touched will live on for years to come and in that way the gospel will continue to carry on through his life. We are so thankful that you have shown what true Christian love is.

The Family of Don James

**What is our policy on cancellation of services due to bad winter weather?**

Scheduled Sunday and Wednesday services may be canceled in extreme situations (i.e. bad weather, death) by the pastor in Consultation with the deacon chairman and the trustees chairman on the issue of bad weather. When possible, notice of such cancellation would be announced on the church's answering machine.
