The "Secret Parents" project is still going strong. "Parents" are still dropping off their gifts to their "adopted kids" who quickly claim their gifts in the basket on the Welcome Center--usually with big smiles on their faces! Check the Scroll next month as we give a date for the "end of school year" fellowship time where we will reveal "parents" with their "kids."

Your mission, should you chose to accept it...Eat these,

VBS needs the canisters. **No evidence will remain.** Secretly drop off the canisters, and there will be no judgment regarding the number of chips eaten & canisters dropped off.
